4. Report submitted date: **10.03.2023**
5. Brief description about the event:

The Research and Development Cell has coordinated six International Conferences from 24-25 February 2023 on the corresponding department domain themes:

- **ICIRTCS – 2023 by the Dept. of CSE**
- **ICRICEIT – 2023 by the Dept. of IT**
- **ICSMEC – 2023 by the Dept. of ECE**
- **ICAEEE – 2023 by the Dept. of EEE**
- **ICRAME – 2023 by the Dept. of ME**
- **ICRTCE – 2023 by the Dept. of CE**

This is one unique event where all six conferences are conducted on same time with common inauguration and common valedictory. It fetches an overwhelming response from participants.

These conferences were organized to provide a forum for faculty, research scholars and young academic scientists to share their scientific findings, innovative ideas in the form of paper presentations. A total of **864 papers** were received. Out of which **503 papers** were selected for presentation and **468 papers** were registered and presented.

The event was divided into three sessions: Inauguration session; paper presentation in respective department and Valedictory.

### **Inauguration:**

An inaugural ceremony was held at 10:00 A.M with a Prayer Song followed by the introductory note about the college by **Mrs. Santoshi Kumari**, AP, S&H and host of the program. She has introduced and invited Dean R&D for his welcome note. Participants, Faculty members, HoDs, Deans, Principal Sir, Director Sir and Chairman Sir were welcomed by **Dr. Sanjay Kumar Suman**, Dean R&D. Then **Mrs. CH. Kalyani** took over the charge to introduce our group director and Principal Sir **Dr. P. Santosh Kumar Patra** and she has invited Principal Sir for his presidential address and keynote speech. Principal Sir has addressed the dignitaries and delegates with his keynote speech on **3D CR Scanner, Pro Drone and Kara pure**. It was a phenomenal keynote speech on the application of future technology in domestic products. Specifically Sir has explained the technology and the process of above inventions. It has undoubtedly enhanced the knowledge of the researcher and academic leaders. After his keynote speech, Sir has officially released the Conference Proceedings of series of International Conferences of 6 Departments. Finally the inauguration session was concluded by the vote of thanks which was proposed by **Dr. Saumyaprava Acharya**. After vote of thanks the session was switched over to the departments for paper presentation.

### **Paper Presentation:**

The Paper presentation for both days, i.e., on **24.02.2023 & 25.02.2023**, by departments was scheduled in two sessions per day. All the departments were adhere to the agenda for the smooth conduction of the program. The schedule
